PRESS RELEASE

Kenya Girl Guides Association Elects New Chief Commissioner at 2025 Annual General Meeting

Nairobi, Kenya – The Kenya Girl Guides Association (KGGA) is pleased to announce the election of **Rose Kioko** as the new **Chief Commissioner**, following its **Annual General Meeting held on Saturday, 26th April 2025**.

The election marks a significant leadership transition within one of Kenya's most established girls and youth-serving organizations, which has empowered generations of girls and young women through value-based, non-formal education.

Rose Kioko assumes the role with a strong background in leadership and a longstanding commitment to the Girl Guiding movement. Her vision and experience are expected to steer the Association into a new era of growth, inclusivity, and innovation.

The Association is delighted to welcome Rose Kioko into this vital leadership role. Her dedication to the principles of Girl Guiding and to the empowerment of girls and young women across the country aligns perfectly with the mission of KGGA.

The Association also extends its deepest gratitude to the departed Chief Commissioner Prof. Faith Nguru whose term was marked by transformative initiatives, expanded reach, and strengthened partnerships in support of girls' development. Further gratitude is extended to the Interim Chief Commissioner Roselyne Ngure, for her work and support during the transition period.

The Kenya Girl Guides Association calls upon its members, partners, and the public to support the new Chief Commissioner as the Association continues to build a better world for girls and young women in Kenya.
